Park National Bank announces partnership with First Citizens National Bank

This partnership combines the best of two community banks, driven by shared core values, cultures and a genuine desire to serve others. Together, we will be better equipped to serve our customers' financial needs today and in the future.

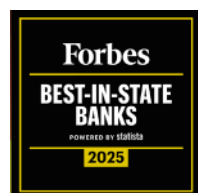

About Park

Founded in 1908, Park National Bank's community banking teams deliver an exceptional breadth and depth of resources to individuals and businesses.

We are proud to be consistently recognized for our personal service, community leadership and financial performance.

Seeing you as the unique person or business you are, our goal is to deliver more than you expect from a bank.

About First Citizens

First Citizens National Bank was founded in 1889 and has a long-standing tradition of resilience and growth to help people – just like you – build their financial futures.

We are dedicated to continuing to give back and make a difference in the Tennessee communities we serve.

Our promise is to remain people centered and to stay true to our reputation, which has been built over time through our commitment to being unbelievably good.

Growing together; serving *more*
